## DETAILED ACTION

### ***Allowable Subject Matter***

**Claims 7-27** are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: The prior art of record, alone, or in combination, fails to teach or render obvious, "*wherein the light receiving area receives center sections of the first type of reflected rays, and wherein as measured in a first direction in which the first type of reflected rays are arranged, the light receiving area has a size that is equal to or greater than the diameter of the luminous flux of reflected rays*", in combination with the other limitations set forth in claim 7.

The prior art of record, alone, or in combination, fails to teach or render obvious, "*wherein as measured in a direction in which the first type of reflected rays are arranged, the non-light-receiving area is narrower than a shortest distance between the first type of reflected rays*", in combination with the other limitations set forth in claim 16.

Claim 22 has similar allowable limitations as claim 7.

Claim 23 has similar allowable limitations as claim 16.

Claims 8-15, 17-21 and 24-27 are dependent upon allowed base claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
